Audio Phone Records at *2019Thru2020Phn Recd JCTF vs SACDHA and *190721 Thru 19903 Audio Privacy Recd JCTF vs SACDHA [Also Relevant (for judgment) as to Motive for said incident]

Also, I, hereby, formally Compel Discovery to include (to be delivered by said D.S.S.): 1. All investigation documents mentioning my client which are possessed DHA and/or D.S.S. in relations to 2. Notification of any so-called sealed (or otherwise access-limited) (allegedly) documents mentioning said client also possessed by either or both said agencies.

Declaration In Support

Whereas, (as previously asserted) during a time proven to be deceptically Arbitrary, Capricious, Overtly, while said agency has betrayed Malicious Motive against client's (Fundamental Rights of) Life, Limb, Liberty and Property and Intent of foul Play Conspiracy (in Retaliation to his Just Accusations), client is Reasonably unable to Trust in Lawful Fairness of Venue at its locations of controlled function-space or by Telecommunicated proceeding scheduled. [See AV Records: 210215... and 210216... at JCTF vs SAC City et al. Playlist link on Homepage at www.tbop.azwordpress.com.]

Whereas, said client has been Exigently Overburdened by Incalculably Extreme Damages caused by Prolonged Harassments by Abuse of Process (as previously asserted in Complaint), via telephone, of Time-Waste, Delay and Monetary costs (of phone operation, and while in debt without income) and therefore, said client is too Overburdened by joined acts for costs of telephone interview procedure; he cannot afford any more of such costs imposed by either or whereas, client is too Overburdened by joined acts of Legal Harassments (per past assertions of Conspiracy to Commit...) to currently research authorities at issue, yet certainly they do exist.

Whereas, Certainly Venue is bound to full disclosure of Discovery pursuant to Rule of Law and Legal Justice at issue. If Whereas, Sarah Russell (by my experiences in self-reasoned influence) was extremely suspicious by her Misconduct (as recorded) as "ombudsman." Whereas, it has proven that a conflict-organized-Crime business (as previously asserted) have incessantly Harassed system against This Innocent Witness; and 2. All manner of Foul Play and Racketeering in Conspiracy to Commit, against same Innocent witness in Retaliation.

Whereas, it has proven (although government has guiltily false - denied
obstinately) - yet I persist with evidence upon Just Correlation 31, or indeed acts
of same conspiracy include those of collusion with infiltration within actuality
all agencies with which client has ever dealt (and CERTAINLY by client's
experience to NOT BE PREJUDICED with continued PARTIALITY, IN CONVI-
CTION). [And this is by great experience. And those of Toledo County and the DNA of incident
have been the worst conspirators ever, and since client's ACTUAL Honourable Discharge
from APR in 2002 (when, simultaneously they forfeited their contract with client by
Honourable U.S. V. violations in 2007 Anonymous), but records were tampered to conceal this
Crime and there were results APR has refused to cooperate with rectifying in Illegal Conspiracy.
When, almost two decades ago, I first met one Daniel Russo (of N. Canton, OH -- as appeared later
response) as a new visitor to an institution named Faith-Bible Church, openly representing as a
soundly Christian Church. [Whereas, client previously became accepted as a member of same day
institution associated with sincere intentions (contemporarily approving its statement of faith and deeply stated
which did not mention leadership's leadership, per knowledge that motivated amongst others for avoidance, in
obedience to my Lord, within the Coptic-satanic, satanic, near or a stark, could, on) with sincere intentions on
a True-Believing Judeo-Christian (and with such conversation in my life) in Relationship Relationship with the
True Lord, Jesus Christ as His Disciple -- and that (the rest of its configuration) targeted as inherently a
ful and cheerfully underhanded oppressors as ex, from and reported working force and worse" and as
"false-shepherds" and "sheep turned to wolves, client's person figuratively in secret.
[Whereas, approximately three years subsequently, by Proof, I CERTAINLY REALIZED: church institution open-
and was, by rest of its body members, who were not ACTUALLY of Christ (but manipulative persons) really by
a most diabolical (blatantly) "Machiavellian" Heresy (which the subtle of its subversive determined and non-
to my disappointment, proved to be) of the current Great Apostasy. [Whereas, client, upon reading the book,
Satan High Priest, Brian Warner (a local to regions secret society network), and client's relative, Michael
Horizon of Schismatic Association of out of the world (of the Heretical School of the contemporary, so-called
"Reformed Theology" with its Shepherd's Conference of one John (pastor here) who both amongst network of
Occult-Organized Crime Enemies of non-biblical and directly, and obsessively connected and involved with
Rest institution of said in some Protected Conspiracy. [And I am a 50 year-old Adult, ELDER,
OLD-MAN.] [Whereas, shortly after first acquaintance as aforesaid: 1. Daniel Russo, as visitor in
one Branch Family, that were members of church aforesaid as "church-family"
in company with, offered client a boarding room in his home. [Whereas, although
client to accept Russo's offer, he kept persisting; and, also, one Bern
the exhibition would be

Horizons of Satanistic Association of cult operators (John [redacted]) with both amongst network of
"Reformed Theology" with its Shepherd's Conference of one John [redacted] who both amongst network of
Occult-organized Crime Enemies of Protracted Conspiracy. [And I am a 50 year-old Adult, ELDER
OLD-MAN.] [Whereas, shortly after first acquaintance as aforesaid: 1. Daniel Russo, as visitor in
friendship with one Branch Family, that were members of church aforesaid as "church-family"
client had kept company with, offered client a boarding room in his house. [Whereas, although
client, for a longtime, was amenable to accept Russo's offer, he kept persisting; and, also, one Bern
Branch persistently persisted to press upon client to accept since "the cohabitation would be
mutually beneficial (post Russo's recent divorce) to assist each others' split-family parenting vacations."
Whereas, after a number of months, accepting Russo's offer, client, by evidence, realized: 1. Russo was
Italian-American Mobster with his family who owned and operated a cement company as a legitimate
business front; 2. Daniel Branch was a foot-soldier, association fronting as a glazer while his wife
carted narcotics fronting as a really known newspaper deliverer; and 3. Russo's offer was
only, actually, typical Mafioso Operative of Mobsters in Criminal Conspiracy Plot of Foul Play; and 4.
Russo family is directly involved (related to) Petrina Family who are step-family of my deceased
grandfather, Bruno Louis Hydek (Eddie Hydek's [also Colport amongst Gypsies] father (brother of
biological mother who is disowned by client for Justly Biblical causes). [Whereas, said
Conspiracy has actually been conducted (and protracted) since my birth Ritualistically, by an
Occultic-organized Crime Network (of which rest of client's family are members) and is a secreted
matter of the (ACTUALLY) Crypto-satanic Vatican of the Current, Great Apostasy (as the current
seat of Satan) with its multitude of mad interests including human sacrifice (since an angel
restrained client's unqualified "birth-mother" delivered at birth). [Whereas, these above,
along with Horizons of Lackland AFB TX, actually were involved in jointed acts of same
Conspiracy aforesaid at 910th ALW, AFR during my enlistment.
Wherefore, Rule of Law Doctrine presumptively out-right favoring Demanded Procedure as aforesaid
(not client's severely suffering anomalously exigent circumstances aforesaid). Therefore,
it is in the Interest of Justice that said procedural Demands of client's attached Letter of Demand
be practiced in this hearing matter.]

Sincerely,
Jacob (James E. Horton)
Pro-se, In forma pauperis
